INDEX TO THE

TRANSACTIONS OF THE ROYAL SOCIETY OF SOUTH AFRICA

Volume 53, 1998

Abbreviations:
R53,1: Volume 53, page 1

A preliminary survey of the coastal river systems of False Bay, south-west coast of South Africa, with particular reference to the fish fauna. (Harrison.) R53,1
A review of the ecology of the southern Kalahari leopard. (Bothma.) R53,257
Acacia eriobola (sic), some aspects of the interaction with mammalian herbivores. (Coe.) R53,141
Alluvial sediments from above Howison's Poort, near Grahamstown, fluvial conditions during the Holocene. (Lewis and Illgner.) R53,53
An ecological perspective of reproduction in the Cape porcupine. (Van Aarde.) R53,237
Antidorcas marsupialis, springbok, territoriality in the mating system. (Jackson and Skinner.) R53,271
Arctocephalus pusillus pusillus, Cape fur seal, endoparasites. (Stewardson and Fourie.) R53,33

BEN-SHAHAR, R. Elephant density and impact on Kalahari woodland habitats. R53,149
BIOGRAPHICAL MEMOIRS
Campbell, George Duncan. (Seedat.) R53,69
Cresswell, Christopher Fredrick. (Lewis.) R53,71
Biology and ecology of millipedes in the Kalahari. (Dangerfield.) R53,183
Bird expedition, central Kalahari. (Newman.) R53,195
BOTANY
COE, M. Some aspects of the interaction between mammalian herbivores and *Acacia eriobola* (sic) E. Mey. R53,141
The Kalahari. R53,87
McCARTHY, T.S. and ELLERY, W.N. The Okavango Delta. R53,157
VAN ROOYEN, N. and VAN ROOYEN, M.W. Vegetation of the south-western arid Kalahari: an overview. R53,113
BOTHMA, J. du P. A review of the ecology of the southern Kalahari leopard. R53,257
Brants' whistling rat, *Parotomys brantsii*, the effect of seasonal and physical conditions on diurnal activity. (Jackson.) R53,227

Cape fur seal, *Arctocephalus pusillus pusillus*, endoparasites. (Stewardson and Fourie.) R53,33
Cape porcupine, an ecological perspective of reproduction. (Van Aarde.) R53,237
Climate, Kalahari transect. (Tyson and Crimp.) R53,93
Coastal river systems of False Bay, south-west coast of South Africa, preliminary survey of fish fauna. (Harrison.) R53,1
COE, M. Some aspects of the interaction between mammalian herbivores and *Acacia eriobola* (sic) E. Mey. R53,141
The Kalahari. R53,87
Conservation management and survival threats of raptors in the Kgalagadi Transfrontier Park. (Herholdt.) R53,201
COONEY, R. The Damaraland mole-rat: social life in the Kalahari. R53,219

Damaraland mole-rat, social life in the Kalahari. (Cooney.) R53,219
DANGERFIELD, J.M. Biology and ecology of millipedes in the Kalahari. R53,183

Ecological perspective of reproduction in the Cape porcupine. (Van Aarde.) R53,237
Ecology and biology of millipedes in the Kalahari. (Dangerfield.) R53,183
Elephant density and impact on Kalahari woodland habitats. (Ben-Shahar.) R53,149
ELLERY, W.N., *see* McCARTHY, T.S.
ELOFF, F.C. The life of the Kalahari lion (*Panthera leo vernayi*). R53,267
Endoparasites of the Cape fur seal *Arctocephalus pusillus pusillus* from the Eastern Cape coast of South Africa. (Stewardson and Fourie.) R53,33
Ensuring sustainability in the tourism industry. (Hugo.) R53,295

False Bay, south-west coast of South Africa, preliminary survey of the fish fauna of the coastal river systems. (Harrison.) R53,1
Fish fauna, preliminary survey of the coastal river systems of False Bay, south-west coast of South Africa. (Harrison.) R53,1
Fluvial conditions during the Holocene as evidenced by alluvial sediments from above Howison's Poort, near Grahamstown, South Africa. (Lewis and Illgner.) R53,53
FOURIE, H.J., *see* STEWARDSON, C.L.

GEOLOGY AND PALAEONTOLOGY
LEWIS, C.A. and ILLGNER, P.M. Fluvial conditions during the Holocene as evi-

denced by alluvial sediments from above Howison's Poort, near Grahamstown, South Africa. R53,53
McCARTHY, T.S. and ELLERY, W.N. The Okavango Delta. R53,157

HARRISON, T.D. A preliminary survey of the coastal river systems of False Bay, south-west coast of South Africa, with particular reference to the fish fauna. R53,1
HERHOLDT, J.J. Survival threats and conservation management of raptors in the Kgalagadi Transfrontier Park. R53,201
Herbivores, mammalian, some aspects of the interaction with *Acacia eriobola* (sic). (Coe.) R53,141
Howison's Poort, fluvial conditions during the Holocene as evidenced by alluvial sediments. (Lewis and Illgner.) R53,53
HUGO, M.L. Ensuring sustainability in the tourism industry. R53,295

ILLGNER, P.M., *see* LEWIS, C.A.

JACKSON, T.P. The diurnal activity of Brants' whistling rat (*Parotomys brantsii*): the effect of seasonal and physical conditions. R53,227
JACKSON, T.P. and SKINNER, J.D. The role of territoriality in the mating system of the springbok *Antidorcas marsupialis*. R53,271

Kalahari. (Coe.) R53,87
Kalahari, an overview of vegetation. (Van Rooyen and Van Rooyen.) R53,113
Kalahari, biology and ecology of millipedes. (Dangerfield.) R53,183
Kalahari, large mammals inside and outside protected areas. (Thouless.) R53,245
Kalahari, social life of the Damaraland mole-rat. (Cooney.) R53,219
Kalahari, the findings of a bird expedition. (Newman.) R53,195
Kalahari Khoisan. (Traill.) R53,283
Kalahari leopard, ecology. (Bothma.) R53,257
Kalahari lion (*Panthera leo vernayi*). (Eloff.) R53,267
Kalahari transect, climate. (Tyson and Crimp.) R53,93
Kalahari woodland habitats, elephant density and impact. (Ben-Shahar.) R53,149
Kgalagadi Transfrontier Park, survival threats and conservation management of raptors. (Herholdt.) R53,201
Khoisan, Kalahari. (Traill.) R53,283

Large mammals inside and outside protected areas in the Kalahari. (Thouless.) R53,245
Leopard, Kalahari, ecology. (Bothma.) R53,257
LEWIS, C.A. and ILLGNER, P.M. Fluvial conditions during the Holocene as evidenced by alluvial sediments from above Howison's Poort, near Grahamstown, South Africa. R53,53
Lion, Kalahari. (Eloff.) R53,267

Mammalian herbivores, some aspects of the interaction with *Acacia eriobola* (sic). (Coe.) R53,141
Mammals inside and outside protected areas in the Kalahari. (Thouless.) R53,245
McCARTHY, T.S., *see also* SKINNER, J.D.
McCARTHY, T.S. and ELLERY, W.N. The Okavango Delta. R53,157
METEOROLOGY AND CLIMATOLOGY
McCARTHY, T.S. and ELLERY, W.N. The Okavango Delta. R53,157
TYSON, P.D. and CRIMP, S.J. The climate of the Kalahari transect. R53,93
Millipedes, Kalahari, biology and ecology. (Dangerfield.) R53,183
Mole-rat, Damaraland, social life in the Kalahari. (Cooney.) R53,219

NEWMAN, K. The findings of a central Kalahari bird expedition, February 1987. R53,195

Okavango Delta. (McCarthy and Ellery.) R53,157

Panthera leo vernayi, Kalahari lion. (Eloff.) R53,267
Parotomys brantsii, Brants' whistling rat, the effect of seasonal and physical conditions on diurnal activity. (Jackson.) R53,227
Porcupine, Cape, an ecological perspective of reproduction. (Van Aarde.) R53,237

Raptors in the Kgalagadi Transfrontier Park, survival threats and conservation management. (Herholdt.) R53,201
Rat, Brants' whistling, *Parotomys brantsii*, the effect of seasonal and physical conditions on diurnal activity. (Jackson.) R53,227
Reproduction, Cape porcupine. (Van Aarde.) R53,237
Review of the ecology of the southern Kalahari leopard. (Bothma.) R53,257

SKINNER, J.D., *see also* JACKSON, T.P.
SKINNER, J.D. and McCARTHY, T.S. The Kalahari Colloquium. R53,85
SOCIOLOGY
COE, M. The Kalahari. R53,87
HUGO, M.L. Ensuring sustainability in the tourism industry. R53,295
TRAILL, A. The Kalahari Khoisan. R53,283
Seal, Cape fur, endoparasites. (Stewardson and Fourie.) R53,33
Some aspects of the interaction between mammalian herbivores and *Acacia eriobola* (sic) E. Mey. (Coe.) R53,141
Springbok, *Antidorcas marsupialis*, territoriality in the mating system. (Jackson and Skinner.) R53,271
STEWARDSON, C.L. and FOURIE, H.J. Endoparasites of the Cape fur seal *Arctocephalus*

pusillus pusillus from the Eastern Cape coast of South Africa. R53,33
Survival threats and conservation management of raptors in the Kgalagadi Transfrontier Park. (Herholdt.) R53,201

The climate of the Kalahari transect. (Tyson and Crimp.) R53,93
The Damaraland mole-rat: social life in the Kalahari. (Cooney.)R53,219
The diurnal activity of Brants' whistling rat (*Parotomys brantsii*): the effect of seasonal and physical conditions. (Jackson.) R53,227
The findings of a central Kalahari bird expedition, February 1987. (Newman.) R53,195
The Kalahari. (Coe.) R53,87
The Kalahari Colloquium. (Skinner and McCarthy.) R53,85
The Kalahari Khoisan. (Traill.) R53,283
The life of the Kalahari lion (*Panthera leo vernayi*). (Eloff.) R53,267
The Okavango Delta. (McCarthy and Ellery.) R53,157
The role of territoriality in the mating system of the springbok *Antidorcas marsupialis*. (Jackson and Skinner.) R53,271
THOULESS, C.R. Large mammals inside and outside protected areas in the Kalahari. R53,245
Tourism industry, sustainability. (Hugo.) R53,295
TRAILL, A. The Kalahari Khoisan. R53,283
TYSON, P.D. and CRIMP, S.J. The climate of the Kalahari transect. R53,93

VAN AARDE, R. An ecological perspective of reproduction in the Cape porcupine. R53,237
VAN ROOYEN, M.W., *see* VAN ROOYEN, N.
VAN ROOYEN, N. and VAN ROOYEN, M.W. Vegetation of the south-western arid Kalahari: an overview. R53,113
Vegetation of the south-western arid Kalahari: an overview. (Van Rooyen and Van Rooyen.) R53,113

Whistling rat, *Parotomys brantsii*, the effect of seasonal and physical conditions on diurnal activity. (Jackson.) R53,227
Woodland habitats, Kalahari, elephant density and impact. (Ben-Shahar.) R53,149

ZOOLOGY

BEN-SHAHAR, R. Elephant density and impact on Kalahari woodland habitats. R53,149
BOTHMA, J. du P. A review of the ecology of the southern Kalahari leopard. R53,257
COE, M. Some aspects of the interaction between mammalian herbivores and *Acacia eriobola* (sic) E. Mey. R53,141
The Kalahari. R53,87
COONEY, R. The Damaraland mole-rat: social life in the Kalahari. R53,219
DANGERFIELD, J.M. Biology and ecology of millipedes in the Kalahari. R53,183
ELOFF, F.C. The life of the Kalahari lion (*Panthera leo vernayi*). R53,267
HARRISON, T.D. A preliminary survey of the coastal river systems of False Bay, south-west coast of South Africa, with particular reference to the fish fauna. R53,1
HERHOLDT, J.J. Survival threats and conservation management of raptors in the Kgalagadi Transfrontier Park. R53,201
JACKSON, T.P. The diurnal activity of Brants' whistling rat (*Parotomys brantsii*): the effect of seasonal and physical conditions. R53,227
JACKSON, T.P. and SKINNER, J.D. The role of territoriality in the mating system of the springbok *Antidorcas marsupialis*. R53,271
McCARTHY, T.S. and ELLERY, W.N. The Okavango Delta. R53,157
NEWMAN, K. The findings of a central Kalahari bird expedition, February 1987. R53,195
STEWARDSON, C.L. and FOURIE, H.J. Endoparasites of the Cape fur seal *Arctocephalus pusillus pusillus* from the Eastern Cape coast of South Africa. R53,33
